<b>Total.....</b>	<b>\$33,729 45</b>

## The Choral Society.

Owing to the inclement weather there was no meeting of the Society last Monday.

We will meet at the Court House next Monday evening at 7:45 sharp, and close the rehearsal in ample time for the members who wish to, to attend the show.

It is of the utmost importance that all those who wish to be members of the Vocal Society be on hand punctually next Monday evening, as the membership roll will be closed at an early date.

E. B. DAVIDSON, President.

A telegram from Chas. B. Rogers at Washington today admonishes Vinita people to not worry about Vinita being in the statehood bill as it finally passes, as a court town.

# Home Baking with ROYAL Baking Powder

The United States Agricultural Department has issued (and circulates free) a valuable report giving the results of elaborate experiments made by and under the direction of the Department, which show the great saving from baking at home, as compared with cost of buying at the bakers. All bread, cake, biscuit, crullers, etc., are very much fresher, cleaner, cheaper and more wholesome when made at home with Royal Baking Powder.

ROYAL BAKING POWDER CO., NEW YORK.

## An Industrious Negro.

Editor Chieftain: Dear Sir—If you have room in your paper I wish you would allow me space to say a few words about the negro—especially one of them, William C. Boyd. He is an exception. Mr. Boyd is very often spoken of as "that working darkey." Everybody speaks well of him and respects him as an honest citizen and a hard worker. Mr. Boyd and wife were educated at Hampton, Virginia. Mr. Boyd graduated in 1879 and his wife a year later. He moved to southwestern Missouri in 1882, remaining 22 years, and while there purchased eighty acres of farming land. He has been in the Cherokee Nation three years, and has proven to be an industrious farmer. I wish Hampton would send out hundreds of such men and women as Mr. and Mrs. Boyd. They are examples for their race. Booker T. Washington, the great negro educator, no doubt has done and is doing a great work in the schoolroom, in the trades and other things for his race, which has made him famous. Mr. Boyd is not spoken of as a great educator but he is a great example for his race. The life which Mr. Boyd leads is more beneficial to his race; especially the uneducated class, than the schoolroom, because there are more opportunities to labor with the hands than the mind. Mr. Boyd not only works but he knows how to work in order to bring about good results. This is due to the Hampton training. What he has accomplished is the result of labor and management. His receipts from farm products last year were: Cotton, \$775; hogs, \$100; cattle, \$50; corn, \$300.

We need bright, intelligent, honest laboring men. Mr. Boyd possesses all these qualities. He is never idle, and remarked the other day that "Idleness created crime." That is the secret of his success.

AN OBSERVER.

Ketchum, I. T.

Capt. G. S. White has secured the general agency for the Natural Hen Incubator with all its utilities, brooders, coops, egg-producing formulas, lice and mite formulas, etc. See him, or write for information. Also agent for the best Poultry paper published.

Capt. G. S. White,  
68 Imo Vinita, I. T.

## COME—Be the Guest of San Antonio

this Winter. Leave the chilly North behind you, and find health and pleasure under the stainless splendor of her turquoise sky.

To all newcomers San Antonio offers a thousand delightful surprises. For the sightseer, the old Mission Churches are still here, the Cathedral of San Fernando, and gray and ghostly in the dazzling sunlight the historic Alamo. For the invalid a perfect combination of sunny winter weather, pure dry air, beautiful scenery and modern accommodations.

## The Climate's the Thing in San Antonio

The invigorating air, dry and warm; the altitude; the perfect natural drainage—all combine to make the temperature as nearly perfect as can be. It is possible to spend most of each day, from November to March, out-doors. The parks and plazas, the margins of the creeks and rivers, the groves of palm and magnolia, lose nothing of their lustrous green during the winter months.

San Antonio is, of all America, the oddest blending of modern utility and beauty, with the romance and heroism of the medieval.

Come to San Antonio! The exceptionally low rates, during the Fall and Winter months; the excellent train service; and accommodations via the M. K. & T. Ry. make it a journey of but small cost and not of tireless length. I want you to read "The Story of San Antonio." I'll send it on request. Once read, I'm sure you'll be more than half convinced that you should be the guest of San Antonio this Winter. Address
